Dear G. Lonergan:

I have enclosed your cheque back to you in the amount of $40.00.

After checking all files possible for any photos on Kimble, I regret to say I have not found anything in our files. If you would like articles on him, we will have to have an exact date and page to locate this.

We do not have anyone on staff that can do this research for you.

Sorry we could not help further on this request.

Sincerely,

J. Bradshaw
